## INFORMATION DISCLOSURE STATEMENT

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR §1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such. In accordance with 37 CFR §1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists. This information is submitted in compliance with 37 CFR §1.98.

U.S. References:

5,836,465

Foreign References:

None

Non Patent Literature Documents:

English translation of International Preliminary Report on Patentability pertaining to international application no. PCT/EP2008/056894. See reference to application serial no. 12/666,514 in the Information Disclosure Statement filed herewith. This IPRP may contain information material to the patentability of the current application.

"Potentially Related" Application(s):

Serial No. 12/666,514

Respectfully submitted,

---
